According to the Comptroller's report, the pension admissible to the officer is Rs 260-4-0 per mensem(and not Rs 283-12-0 as stated in the Chief Commandant's letter) taking into account the concessions sanctioned in G.O. No. 1027-8/Mily. 190-34-3 dated 8th May 1935. The Chief Commandant recommends the grant of an arbitrary pension of Rs 300 per mensem which will be Rs 39-12-0 in excess of the pension admissible to him. His salary at the time of retirement is Rs 450 plus Rs 100 command allowance.

Grant of an arbitrary amount of pension is inadmissible and not financially acceptable.

Council Matter

Subject

Question of granting an Arbitrary Pension of Rs. 275/- to Lt. Col. B.P. Krishne Urs, Retired Commandant, Mysore Lancers.

Circulated to the Members of Council

By Order,

3rd December 1935.

Chief Secretary to Government.

Final Note by the First Member of Council.

Subject.—

Grant of an arbitrary pension to Lt. Col. B.P. Krishne Urs Bahadur, Retired Commandant, Mysore Lancers.

With His Highness' gracious approval, Lt. Col. B.P. Krishne Urs was granted privilege leave for 45 days from 15th May 1935 and permitted to retire from service on the expiry of the leave.

The Chief Commandant, Mysore State Troops, in forwarding the representation of Lt. Col. Krishne Urs praying for grant of an enhanced pension and certain other concessions, recommends the grant of an arbitrary pension of Rs. 300/- per mensem, to him, in view of his distinguished service.

The arbitrary pension of Rs. 300/- recommended by the Chief Commandant, seems to have been based on the belief that the normal pension due to the Officer would be Rs.283-12-0. The calculation has been examined in the Audit Office and it is found that Lt. Col. Krishne Urs is entitled to a pension of only Rs. 260-4-0 per mensem.

In view of the strong recommendation made by the Chief Commandant and of the good services rendered by the officer in the Mysore Army, I am of opinion that he may be granted, as a special case, an arbitrary pension of Rs. 275. The Dewan and the Second Member of Council agree to the proposal and I solicit His Highness' gracious sanction to the grant of this pension.

My dear Mr.Ramanathan,

As it is nearly more than five months since I submitted my application to the Government for grant of pension, the delay in sanctioning the same has worked as a very great hardship on me. As any further delay in this would still put me in difficulties, I request you to kindly obtain early orders of the Government to view my case favourably and sanction the pension I am entitled to as already submitted by me.

I shall be very grateful if you will kindly expedite the settlement of my claim with your support in the matter.

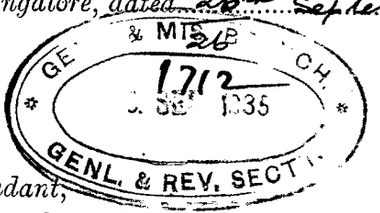
OFFICE OF THE CHIEF COMMANDANT,

Bangalore, dated 25th September 1935.

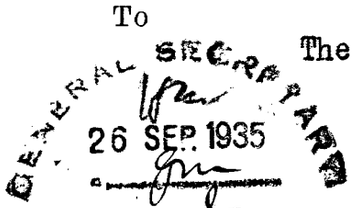


FROM

COLONEL J. C. LOCH, C.B.E.,
Chief Commandant,
Mysore State Troops, Bangalore.

To

The General Secretary to the Government of His Highness the Maharaja of Mysore, Bangalore.



SIR, 37/4

I have the honour to forward a representation from Lt. Col. B.P.Krishne Urs, M.C., I.D.S.M., O.B.I., praying, firstly, for the grant of enhanced pension commensurate with his distinguished service in the State Cavalry, and secondly, for payment of leave allowances to him for the period he was absent in Europe.

Taking the second first: I see from the records that the question of leave allowances has received the full consideration of Government and has been finally disposed of in Government Order No. G.638-9/Mily.200-24-4 dated 21st July 1935. I therefore do not wish to reopen the matter at this distance of time.

As regards the first, re. grant of an enhanced pension: Government have already shown the concession of doubling of his Field Service for reckoning his pension, and a pension of Rs 283-12-0 has been claimed on his behalf.

As regards to the grant of a wound pension to him in addition: I would request a reference to rules 64, 71, and 74 and notes Appendix I., M.S.R., which permit of the grant of a wound pension or gratuity to Officers, whether in service or retired. Colonel Krishne Urs was wounded in action at Alleppo on 26-10-1918 when he held the rank of Ressaldar and Second-in-Command, Mysore Lancers, vide History of the 15th Imperial Service Cavalry Brigade during the Great War 1914-1918 - page 33. The nature of this wound is not known. But assuming it to be one which would come under rule 74 note (4), he would have been entitled to a wound pension of Rs 30/-

per mensem, had he applied for the claim within five years he received the wound, and subjected him to examination by the Medical Board as laid down. In failure thereof, he is not entitled now to such a pension.

At the same time, I am of opinion that his case is one which deserves special consideration by Government. He has distinguished himself as a galiant and capable Cavalry Officer and has commanded the Mysore Lancers in the Field as well as within the State for over 11 years. He has the most distinguished War record of any Mysorean. On retirement he has still to maintain his position as a Lieutenant Colonel. In view of the above I very strongly recommend that he be granted an arbitrary pension of Rs 300/- (viz Rs 16/4/0) more than the pension he would get in the ordinary course), and request early orders of Government in the matter.

I have the honour to be,
Sir,
Your most obedient Servant,

Colonel,
Chief Commandant,
Mysore State Troops.

To

The Chief Commandant,

Mysore State Troops,

BANGALORE.

Sir,

Inviting reference to Government order No.G.10027-8/Mily. 198-34-37 dated 4th/8th/14th May 1935 retiring me from the 1st July 1935 and sanctioning to me only ordinary pension, I beg to bring to your kind notice the following points with a view to have at your hands justice done to me with regard to pension, leave allowances etc due to me.

I was recruited to Mysore Lancers with a Commissioned Rank on 25-8-1908. During my long service of 27 years, both as a subordinate and in command of the Mysore Lancers for well over 11 years, I never gave any room for complaint but earned continuous praise from the Chief Military Advisers and various commanders of the Madras District Command who inspected the force from time to time and who happened to come in touch with Mysore Lancers. In my active field service of over 5½ years, without a break during the Great War I distinguished myself and had hai breadth escape from death, being wounded, in two places a bullet passing near my hear as may be observed not only from Military despatches but also from various decorations conferred on me as follows:- Besides, I was servin on the Staff of the Commander-in-Chief of the Egyptian Expeditionary Force nearly a year. And also had the honour of serving H.R.H.The Prince of Wales during that period.

1. Indian Distinguished Service Medal.
2. Military Cross.
3. Order of the White Eagle of Serbia.
4. 3rd Class Gandabherunda.
5. 2nd Class -do-
6. London Coronation Medal.
7. Delhi Durbar Medal.
8. Order of the British India 2nd class, with the title of Bahadur.
9. Victory Medal.
10. General service Medal.
11. Silver jubilee Medal.

I represented the Regiment during London Coronation and Peace celebration in London. I was twice decorated by His Majesty the King-Emperor at Buckingham Palace for London Coronation Medal and Military Cross.

Inspite of all the above facts and my acting as Chief Commar previously, my claim for similar chance subsequently was overlooked a

, and a junior was shown preference.

When Sir M.Kantharaj Urs went to Europe, I was ordered to accompany, but on my return when I claimed my pay and allowances for the period of nearly a year, I was promised that my prayer would be favourably considered, but upto now I had no relief and I was now made to understand that I have lost a year's service also. As I had not taken any leave for the purpose but gone on duty as per orders, the question of granting my pay and allowances may now be recommended for favourable consideration and decision. My case seems to be more fitting for consideration than the case of Captain Abdul Gaffar who was retired and taken back to service treating as special case, the interval as on leave with allowances. Captain Abdul Gaffar, Captain Nasir Ahmed and Lieut Kasi Rao Sindhe were favoured with 6 months leave preparatory to retirement, with full pay although there were no codal rules for the same. Even Captain Jaffar, though he had not completed the full service of 32 years, he was granted pension morethan the half.

The pension now sanctioned to me in Government order above quoted is stated as a special one, whereas in the ordinary course my field service of 5½ years ought, by right, to be counted as 11 years of ordinary service. This case has been shown to every one who had been to the field. Hence I beg to pointout that no special favour is shown to me as stated in the order.

As per Government of India Notification dated 3-5-1919-Extract submitted herewith, because I was severely wounded in one of the many engagements in which I participated, I am entitled to a special pension of Rs 35/- over and above the ordinary pension in accordance with the Mysore Service Regulation.

Under the above circumstances, I request you to kindly recommend to the Government to review my case to grant me my long pending pay and allowances for the period of my deputation with Sir M.Kantharaj Urs and further enhancement of my pension atleast to ease my mind of the mortification of want of mere justice due to me for long continued faithful service.

I beg to remain,
Sir,
Your most obedient servant.
